

Greetings from all of us at Brit Spit Productions! If you love Tea Time as much as we know you do, and we know you do, then please help us promote as much as you can! There are two full page 8 1/2" x 11" ads in this PDF document on pages 2 and 3. We would encourage you to print those and post them where allowed. Good places to post, for example, would be bulletin boards, Wal Mart, public forums, community centers, libraries, college campuses, and even right outside on your bedroom door!

When you go to print the ads, remember to only print pages 2 and 3 in order to save yourself paper

We also have an assortment of web images and banners for you to use on your website, MySpace, blog, or even as your AIM Buddy Icon. The code for these images can be obtained on our site: www.britspit.cjb.net and by navigating to our PR page.

If you should have any questions concerning where to place ads, or any question in general regarding Brit Spit Productions and it's associated podcasts, feel free to contact us at: britspit@gmail.com
